

# QUARRIE WINS 100; CROCKETT IS THIRD

BERKELEY (AP)—Jamaican Don Quarrie upset U.S. sprint stars Steve Williams and Ivory Crockett in a photo-finish 100-yard dash Saturday, then scored an easy victory in the 220 at the Kennedy Games.

The 23-year-old University of Southern California student won the 100 in 9.4 seconds and was a 20.7 victor in the 220, an event Williams and Crockett passed up.

Crockett, who recently set a world record of 9.0 in the 100, took his third-place finish gracefully.

"I had to come down sometime and it happened to be this meet. I needed to lose," he said.

Crockett said he leaned too early, mistaking a chalk line on the track for the finish line. Quarrie had already edged past him at that point.

It was the first defeat for Crockett since the Philadelphia Pioneers' runner established the world record three week ago. Williams shared the old world mark of 9.1.

Quarrie, second-place Williams and third-place Crockett all were timed in 9.4 on the University of California's Edwards Stadium track, a cinder and dirt surface considered one of the slowest on the West Coast.

Crockett led through the first 80 yards, run with a trailing wind of 3.6 miles per hour. Williams of San Diego State edged ahead of Crockett on the right side but Quarrie made an even stronger move on Crockett's left side.
