PHILADELPHIA—There were some anxious moments for USC coach Vern Wolfe at Franklin Field Friday but at the end of the day he allowed himself a slight smile as he found his Trojans in position to win their first NCAA track and field championship in eight years.

Ken Randle took over the favorite's role in the 400 meters today with a semifinal victory in 44.99, fastest in the world this year, and James Gilkes, after almost failing to qualify in the semifinals of the 100, came on to place third in the final for

six points.

Ralph Fruguglietti and Darrell Elder qualified second and fourth in the discus, Fruguglietti with a lifetime best of 194-8, and Tom Andrews came from seventh place in his 400 hurdles semifinal to make today's fi-

nal with a third place finish.

Also, both relay teams advanced, as did Rayfield Beaton in the 800 and Tom Cochee in the triple jump, so the Trojan potential would appear to be somewhere between 50 and 70 points.

Tennessee and Kansas remain strong threats, although the Jayhawks faltered some Friday, and defending champion Texas El Paso moved into contention by placing two men in the 10.000-meter final.

After seven final events, UTEP and San Jose were tied for the lead with 20 points. Washington was next with 14, followed by five teams with 10, Washington State, Auburn, California, Texas and Mississippi State. Fourteen events will be run today.

Winner of the 100 was Auburn freshman Harvey Glance in 10.16, a very fast electrical clocking. Tennessee's Reggie Jones was second in 10.33, followed by Gilkes in 10.35.

Other winners included San Jose State freshman Dedy Cooper, 13.89 in the 110-meter high hurdles; Washington State's John Ngeno 28:22.66 in the 10,000 meters; Mississippi College's Larry Myricks, 26-1½ in the long jump, and Texas's Dana LeDuc, 65-5½ in the shot put.

In the high hurdles, UCLA's James Owens was second for the second straight year, running 13.94. Owens was the leader for seven hurdles but he went off-balance on the eighth where Cooper shot by him and held on for the win.

The 100 created some controversy when Jones appeared to jump on the first start, an infraction that calls for automatic disqualification, but the starter ruled that the click from a camera caused the jump and left Jones in the field.

Gilkes, who got his usual horren-Please Turn to Page 4, Col. 4

s starts in the heats, broke rea-ably well in the final and with 20 ers to go, appeared to have a shot vinning it all. There was no catch-Glance, however, and Jones man-

in at the wire.

T can start when I want to," said likes. "I don't like to push it in the ats because I've been favoring a er leg," in the 400-meter relay prelims, nes came from behind to beat likes in their heat, but Gilkes in their heat, but Gilkes

"We were just trying to qualify," he said. "Tomorrow, we'll really go for it. I feel very strong right now. I'm looking forward to the 200 be Randle said of his 44.99, "It didn't feel that fast because I was just cruising the first 200. If I had opened up I think I could have run 44.6. There'll be no holding back tomor-

A disappointing fourth in last year's NCAA, Randle said, "I just didn't have the experience. I didn't have the confidence. It's a lot different this year. Right now, I feel very confident."

Track Notes

Cs Mike Budincich, who had hoped ab a point or two in the shot, failed to by for the finals, reaching only 59-Thought I was ready for 63 foot, be-172. I thought I was ready for 63 foot, because the power was there," he said, "but I couldn't do a thing. All my throws were falling off to the right. I can't explain it." ... Jim McGoldlick of Texas, the discus favorite, failed to qualify, improving USC's point potential.
